

## Annex 1. How to calculate your American GPA

In this document we give you an example how to convert Belgian/Flemish scores into the American GPA. Instead of the Belgian/Flemish grading scale, please use the one of your own country.

**Step 1:** Go to the website for the scholar GPA calculator: <https://www.scholaro.com/gpa-calculator/>.

**Step 2:** Scroll down where you can find the U.S. grade equivalent to points:

The screenshot shows the Scholaro GPA Calculator website. The page title is "Scholaro GPA Calculator" and the URL is "scholaro.com/gpa-calculator/". The page features a table with 5 rows and 4 columns, with red 'X' marks in the last column. Below the table is a "Number of rows to add: 1" and an "ADD" button. There are two buttons: "CALCULATE GPA" and "CLEAR GRADES".

**About Scholaro GPA Calculator**

This international GPA calculator is intended to help you calculate the **United States Grade Point Average (GPA)** based on grades or points from almost any country in the world. The U.S. GPA is calculated on a 4.0 scale.

**How is the GPA calculated?**

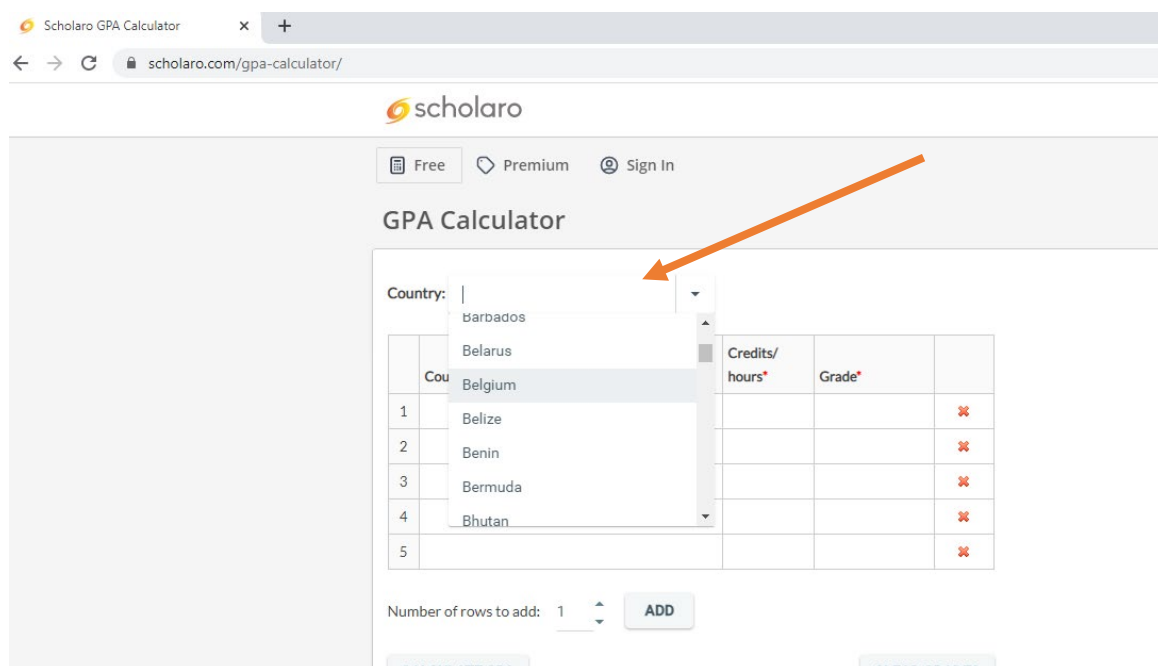

1) First, the grades are converted to the U.S. equivalent for countries other than the U.S.

Chinese Grade	U.S. Grade
90	A
85	B
80	B

2) The GPA converter converts each U.S. grade equivalent to points using the following scale:

U.S. Grade	Points	U.S. Grade	Points	U.S. Grade	Points	U.S. Grade	Points	U.S. Grade	Points
A+	4.0	B+	3.3	C+	2.3	D+	1.3	F	0.0
A	4.0	B	3.0	C	2.0	D	1.0	-	
A-	3.7	B-	2.7	C-	1.7	D-	0.7	-	

**Step 3:** Go back to the top of the webpage and type or select your country:

The screenshot shows the Scholaro GPA Calculator website. The page title is "Scholaro GPA Calculator" and the URL is "scholaro.com/gpa-calculator/". The page features a "Country:" dropdown menu with a list of countries: Barbados, Belarus, Belgium, Belize, Benin, Bermuda, and Bhutan. Below the dropdown menu is a table with 5 rows and 4 columns, with red 'X' marks in the last column. Below the table is a "Number of rows to add: 1" and an "ADD" button. There are two buttons: "CALCULATE GPA" and "CLEAR GRADES".
