

Application form for admission to a bachelor programme with a foreign diploma

version 50/09/2022

Do you have a foreign diploma and would you like to register for a bachelor programme at AP University College Antwerp?

Check <https://www.ap.be/en/admission-requirements-bachelor-programme> to see if your previously obtained diploma gives you access to a bachelor programme.

Do you have a different foreign diploma, obtained outside the EU?

Then you must file an application for admission on the basis of your diploma. To do so, fill in this form and attach the necessary documents.:

- a) A certified copy of the diploma concerned;
- b) A certified Dutch translation issued by a sworn translator, unless originally in English, French, or German;
- c) A declaration from the embassy or consulate of the candidate's country stating that this diploma grants access to a bachelor programme in the country in which it was obtained, unless the diploma itself contains such declaration.

For a bachelor programme organised by a department (Business and Law, Health and Life Science, Industry and Environment, People and Society, Education and Training, or Media, Design and IT), you must submit all documents to the Student Center by the 1st of September at the latest, or by the 1st of December at the latest for an enrolment restricted to courses organized in semester 2.

For a programme organised by a School of Arts (Royal Academy of Fine Arts Antwerp or Royal Conservatoire Antwerp) you must submit all documents to the Student Center by October 15th at the latest.

The admissions committee will examine your application. The chairperson of the admissions committee will inform you of the decision in writing.

Are you not Dutch speaking?

In case of first enrolment for a Dutch programme, you must prove that you have sufficient knowledge of the Dutch language:

- by submitting a certificate of at least one successfully completed year in Dutch-language secondary education;
- by submitting a pass certificate in a programme or in one or more courses in Dutch-language higher education, with a total study load of at least 60 ECTS-credits, or
- by submitting a pass certificate for the Interuniversity Dutch Language Test for Foreign Language Speakers ('Interuniversitaire Taaltest Nederlands voor Anderstaligen – ITNA'), or for the Dutch state examination NT2 II, or a different certificate from a centre for adult education or a recognised language centre. The required Dutch language level is B2 CEFR (Common European Framework of Reference).

The Dutch language test ITNA was developed by the language centres of four Flemish universities. The language test is conducted by Linguapolis, among others: <https://www.uantwerpen.be/en/centres/linguapolis/>

Attention:

- This language requirement does not apply to the academic bachelor programme in Music or the professional bachelor programme in Dance.
- When registering for the English academic bachelor programme in Visual Arts, you must prove that you have sufficient knowledge of the English language. This can be done in various ways:
 - by submitting a certificate of graduation ASO-diploma (Flemish candidate-students) or VWO (Dutch candidate-students), or

- by submitting a certificate of at least one successfully completed year in English-language secondary education, or
- by submitting a pass certificate in a programme or in one or more courses in English-language higher education, with a total study load of at least 60 credits, or
- by submitting a language certificate. The required English language level is B2 CEFR (Common European Framework of Reference).

An English language test can be taken, among other places, at Linguapolis (Interuniversity Test of Academic English (ITACE)), but also in other language centres in Flanders or in your home country.
