

# WE'RE HIRING

## SENIOR GRAPHIC DESIGNER in Brussels Belgium

### THE ROLE

Cushman & Wakefield Belgium and Luxembourg is looking for an enthusiastic Graphic Designer, based in Brussels. The candidate will support our local business stakeholders with the design of high-end collateral to support the work winning opportunities of the highest strategic importance. They will work closely with, and report to the Head of Marketing Belgium & Luxembourg,

This role offers the opportunity to work for a leading real estate company, on an array of exciting and creative projects, with creativity and innovative ideas at the heart of what we do and strive to demonstrate. A high energy and deadline driven environment, the candidate will be working closely alongside other designers assisting in the creation of bespoke high-end design and artwork for a variety of investors and clients within the real estate sector. We are looking for an outside-the-box thinker that can create an emotional brand connection, developing compelling content to drive demand.

### RESPONSIBILITIES

- Creative ability to convey a story and interactive content that highlights the brand and captures the value of our proposal messaging
- Design and layout of business development marketing and pitch documents
- Involvement from the early stage of a project, with creative thinking and conceptual ideas to create a theme and story
- Takes ownership and will manage their own projects well, whilst liaising on a regular basis with the Head of Marketing
- Must be able to show time management and organisational skills with expectation to oversee and work across multiple projects at their different stages

### REQUIREMENTS

- Creative and fresh with ideas for bespoke pitches
- Strong layout and typography skills
- Strong personal communication skills
- Mother tongue: French or Dutch
- Fluent in English, written and spoken
- Ability to multi-task and well organised
- Team player with ability to work independently
- Evidence of project management experience
- High attention to detail
- Has drive and tenacity
- Enthusiastic and inspiring
- Thrives in high energy environments, and excellent time management skills
- Strong Adobe CC, MS office skills and IT literacy
- Knowledge of multi-media design such as video editing, motion graphics and animation is a bonus
- Knowledge and understanding of the print production process is a bonus, but can be taught in position
- Bachelor's degree in Design or equivalent
- 3+ years design experience in design sector
- An understanding and or experience in bid and pitch design would be preferred
